Large rear garden

PLEASE NOTE the garden was originally designed by the current vendors wife who loved gardening and wanted a garden to show colour all year around.
Commencing with a veranda with a variety of climbing plants and a patio to the main garden which has an array of mature planting, shrubs and trees including an attractive mimosa tree offering seclusion and privacy, which need rediscovering and enjoying. The majority of the garden is to lawn with a side path and pergola with climbers, leading to a summer house

with power and light, leading on to a natural pond with powered waterfall.

Work shop, gym/office

25'5 x 11'6

To the rear of the carport is what was originally the garage, now really open to your choice, whether a very large work shop, home office or gym. It has power and light and two large velux ceiling windows and a double glazed window to the rear.
One and a half stainless steel sink with cupboards below, double glazed double doors and window to the carport.

Carport

The covered carport is a large space for your vehicles, caravan or camper (subject to height) with power and light. Running down one side is decorative wrought iron railing and to the front matching lockable wrought iron gate.
There are two rainwater tanks with a 4000 litre capacity which is gathered from the house roof and garage, ideal if we have a hot summer.

Frontage

The property has an excellent size frontage with a good size garden with two split lawns, mature planting and trees and a established hedged boundary. The drive offers parking for multiple vehicles with of course further parking in the carport and the potential to add more parking.
